

Executive Report...

Dear Friends:

It is my pleasure to forward you the Spring/Summer 2000 Edition of "Focus on County Government". As County Executive, you have empowered me to ensure that County services are provided in the most effective and efficient manner possible. To that end, I am always looking for ways to fine tune our County to better serve you and our community.

I sincerely hope you enjoy reading this newsletter and recognize the accomplishments happening in Waukesha County. If you have any questions regarding any aspect of county government, please give me a call at 548-7902.

Sincerely,

Daniel M. Finley
County Executive

In The News...

Disaster Relief Funds Administered

Waukesha County received \$690,996 in disaster relief funds from the Federal government, appropriated by the Wisconsin Department of Commerce, for communities that suffered storm damages in August of 1998. The Waukesha County Office of Community Development Block Grant administers and allocates the funding for cost-recovery associated with the storms that resulted in wind and flood damages. Recommended projects include infrastructure repair and flood mitigation.

Computer Recycling Drop-Off Sites Open

Residents now have access to three Computer Recycling Drop-Off Sites throughout the community. If disposed of improperly, toxic materials such as lead, mercury and nickel can be released into the environment. In an effort to avoid these public and environmental health concerns, Waukesha County implemented this service. Once delivered, the Wisconsin Department of Corrections refurbishes them for sale, use in schools or disassembles the components for recycling. The Computer Recycling Sites are located at:

Speak Up...

Waukesha County Government provides services that are literally from A to Z...Airport to Zoning. With just one telephone call, you can schedule a presentation or tour for your civic, professional, church or neighborhood group. Requests for a speaker will be matched with an individual knowledgeable about your topic. Behind-the-scene tours of County facilities provide interesting and educational ventures that demonstrate first hand the inner workings of the Airport, Administration Center, Sheriff's Department and other operations (some restrictions may apply at certain facilities depending on group size and age). For additional information or to schedule a speaker or tour, please call County Executive Daniel M. Finley at (262) 548-7902.

CDBG's 10th Anniversary...

Waukesha County's Community Development Block Grant (CDBG) Program, funded by the U.S. Department of Housing and Urban Development, is celebrating its 10th Anniversary.

The CDBG Program helps develop and maintain viable communities that provide housing, suitable living environments and expanded economic opportunities for low and moderate income residents. As a flexible decision making tool for assisting local governments, CDBG meets identified needs through innovative and comprehensive approaches that improve physical, economic and social conditions throughout the County.

To receive a copy of CDBG's *Tribute Book* detailing community improvement projects spanning the last decade, please call (262) 548-7920.

How Are We Doing?

Waukesha County government sets measurable standards of service that you can expect. Taxpayers today demand results and Waukesha County promises to deliver. We are committed to meeting your expectations through caring, competent and responsive programs and services. As we continually try to improve them, we need to hear from you!
